America's Fastest-Growing Private Companies—the Inc. 5000***

**Veredus Corporation Makes the 2009 Inc. 5000 List
with Three-Year Sales Growth of 100%**

NEW YORK, August 12, 2009 -- *Inc.* magazine today ranked Veredus Corporation on its third annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs. Consumer electronics maker Vizio, Internet giant GoDaddy, rental car service Zipcar, and beverage maker Honest Tea are among the prominent brands featured on this year's list.

“Savvy trend spotters and those who invest in private companies know that the Inc. 5000 is the best place to find out about young companies that are achieving success through a wide variety of unprecedented business models, as well as older private companies that are still expanding at an impressive rate,” said Inc. 5000 project manager Jim Melloan. “That’s why our list is so eagerly anticipated every year.”

Veredus is based in Tampa, but also has offices in Orlando, FL, Atlanta, GA, and Raleigh, NC and manages all types of technology staffing. Additionally, they have to be U.S.-based, privately held, for profit, and independent -- not subsidiaries or divisions of other companies -- as of December 31, 2008. Revenue in 2005 must have been at least \$200,000, and revenue in 2008 must have been at least \$2 million. The top 10 percent of companies on the list comprise the Inc. 500, now in its 28th year.
